One hundred percent of all proceeds from this event will be used to purchase automated external defibrillators (AEDs) and CPR/AED training for our Michigan high schools. We have lost 30 Michigan students to sudden cardiac arrest in the past 8 years. Our daughter Kimberly was one of them. She was fifteen. We want to do whatever we can to prevent another family from going through what we did with the loss of our beloved Kimberly.

Sincerely, Randy & Sue Gillary
